## ETA State Vision: "Voices of Influence Empowering NC Women Educators"

# Headquarters is Convention Project

Region VII has chosen NC DKG Headquarters as the 2020 Convention Project. Cash or checks will be accepted. Nancy Teague, Convention Chair, and Region VII committee members chose Headquarters because of its value to our organization and its ongoing maintenance needs.NC DKG's charter hangs on Headquarters' wall, alongside pencil etches of all state past presidents and a beautiful handmade quilt depicting each chapter in NC. Headquarters' budget is self-supporting and depends on chapter and individual contributions, gifts, memorials, and investments to maintain its health. Headquarters, dedicated in 1999, experienced some well and pump issues last year and, as with any facility that age, there will continue to be expected and unexpected maintenance needs. The annual budget may not account for all the needs, so Headquarters makes a good convention project.

# 101 Challenge Donations to be Matched in February

The NC DKG Educational Foundation encourages members to show their love and celebrate a teacher by participating in the 101 Challenge. For the month of February, all donations will be matched dollar for dollar! The 101 Challenge recognizes teachers for their hard work and the impact they have made in the field of education. With a \$10 donation, you can recognize a special teacher in your life. As an added bonus, an individual has offered to double all donations made in February. "So, please donate now," urges the Foundation Board. All certificates and information can be found on the Foundation website.

## Calling Musicians for the Convention

By: Susan Kunar, Convention Music Chair

We need all musicians who are coming to the convention to be in the choir! I have two simple pieces for us to sing on Sunday for the Ceremony of Remembrance. You may know these pieces already; if not, here is a link for each song for you to preview. I promise they are easy!

- •"Hymn of Promise": <a href="https://www.jwpepper.com/sheet-music/media-player.jsp?&type=audio&productID=3107927">https://www.jwpepper.com/sheet-music/media-player.jsp?&type=audio&productID=3107927</a>

We have a wonderful children's choir for Friday night, a soloist from Weaver High School for Saturday night, and our conference choir for Sunday morning! If you have any questions or want more information about the choir, contact me at susan.kunar1@gmail.com. Let's GROW!

# How Faith Grows

But He knows the way that I take; when He has tested me, I shall come

forth as gold. —Job 23:10

Before the first Sunday morning service at Harvest Christian Fellowship, we have a time of prayer and worship with our volunteers. One morning we asked some of them to share what they were thankful to God for.

I was very surprised by one woman's answer. She said, "I'm thankful to God that I'm going through a trial."

What? Who says that? She did. And she went on to say, "Job says, 'When He has tested me, I shall come forth as gold.""

Now there's someone who understands why God allows trials in her life.

Do you want your faith to grow? I hate to break this to you, but if you said yes, then you just said, "Lord, I want some trials."

We want our faith to grow in the sunshine and the good times. And it does to some degree. But real faith grows in the valleys when the storm clouds are forming, when things are not making sense. And why does it grow? Because we hang on to God.

We hang on to God because we have nowhere else to go. And that is not a bad place to be, by the way. Sometimes we'll have lapses of faith, and as a result, we think we've failed. But everyone has lapses of faith. Everyone. So just come to God with as much faith as you have.

Also, faith doesn't mean that we check our brains at the door. Christians use logic. Christians think things through. Most importantly, Christians think things through biblically.

Faith is not opposed to reason, but sometimes it's opposed to feelings and appearances. That means we refuse to let our emotions rule us. We refuse to let circumstances rule us. Instead, we resolve to have faith, regardless of circumstances.

Faith is not the absence of thinking. Faith is focused on thinking on God's Word.
